

A new logo for Chorlton Park ... tell us what you think

We're working on a new logo for Chorlton Park.

We'd like the new look to reflect our lively and diverse community and to say that we're an exciting 21st century school.

Please look at the four designs below and let us have your comments by Thursday 1 October.

You can drop your comments off in the office or email head@chorltonpark.manchester.sch.uk. Please make it clear which logo you're referring to by stating its number.
