# Responsibilities of Staff, Volunteers and Visitors

All those who come into contact with children, are responsible for their own actions and behaviour. You should avoid any contact which would lead any reasonable person to question your motivation and intention.

At Chorlton Park Primary School, we all have a duty to safeguard and promote the welfare of all our children.

Please follow our code of behaviour:

- Treat others with respect and provide an example you wish others to follow.
- Ensure that if you are working 1:1 with a child that you are in sight or hearing of others.
- Respect a child's right to personal privacy.
- Provide a caring atmosphere so children and adults feel comfortable enough to point out attitudes or behaviours they do not like.
- Remember that someone else might misinterpret your actions, no matter how well intentioned.
- Never permit abusive child on child activities such as ridiculing, making suggestive remarks or gestures, or sexist, homophobic or racist jokes`.
- Physical contact games are only be played in the context of planned lessons with a teacher present.
- All allegations must be followed up. Please be aware that all staff, volunteers or visitors will be questioned if an allegation is made regardless of reputation.

### **DBS Checks**

All staff, including supply staff, regular visitors and volunteers, are subject to Disclosure and Barring Service checks. This is to help ensure that unsuitable people are prevented from working with children.

### Sign In

All visitors will be asked to sign in via the screen at Reception and confirm the nature of their visit. A visitor sticker will be issued which must be worn at all times. They will be expected to wait in the secure Reception area until being escorted to the appropriate part of the school.

## What to do if you are worried about a child?

Abuse (physical, sexual, emotional) or neglect can have a damaging effect on a child's health, educational attainment and emotional wellbeing.

Be aware that some changes in a child's behaviour may not necessarily indicate that a child is suffering from abuse or neglect. In some cases, those changes may be symptoms of hidden disability, undiagnosed medical conditions or changes in medication.

#### Concerns

If whilst working with a child you have any concerns, please report these concerns to the Designated Safeguarding Lead, Lizzy Pilling, the Head teachers, or class teacher, as appropriate.

A **Cause for Concern** Sheet is available in both staffrooms. These should be completed as soon as possible recording factual information around the concern. Any disclosure from a child should be recorded verbatim.

No copy should be made or kept. You are not required to investigate the situation.

# Disclosures of Abuse by a Child

- Whilst this can be an alarming, it is important to know what to do and for you to stay calm and controlled.
- Listen to what is being said rather than ask questions.
- Allow the child to talk freely and accept what is being said.
- Reassure the child, but do not promise confidentiality.
- Do not interrogate the child or ask leading questions.
- Reassure the child that it is not their fault, and stress that it was right to tell.
- Make them aware that their disclosure will be reported only to those who need to know and who can help.
- Record details of the disclosure immediately, including the exact words and phrases used by the child.
- Sign and date the record.
- Give your written record to the safeguarding lead, Lizzy Pilling or the Headteachers.

If you have been affected by the issues raised, it is important opportunity to talk about this with the Safeguarding Officer, governor or another colleague.
